

# Contemporary Worship Coordinator

Community United Methodist Church in Crofton, MD, seeks a part time Contemporary Worship Coordinator (15-20hours/wk) for our 9am contemporary service. We're looking for an individual who is excited about their personal walk with Christ and passionate about creating an invitational worship service that will draw people in, encourage worship and point people to Jesus. The desired candidate will work closely with our pastor in selecting the songs and creating the desired tone for the 9am service. Important worship leader skills, talents and activities include:

- Gifted in leading congregational musical worship & prayer,
- Mentor worship band members & provide performance guidance to assist each person to grow in their worship,
- Knowledge of scripture (required) and the basic theological affirmations of the United Methodist Church (preferred) and the ability to communicate them in a manner that leads people to worship,
- Organize and lead a mid-week practice and one Sunday morning service (in conjunction with the pastor),
- Fulfill administrative requirements that include attending staff meetings, submitting worship plans and managing a budget,
- Possess strong mentorship, leadership & organizational skills,
- Play guitar and/or keyboard, ability to read music is preferred,
- Sing as lead or back-up
- Lead on-going talent recruitment from the congregation, and
- Maintain a highly-engaged and visible presence within the life of our church community.

All interested candidates should submit: (1) a completed application (attached), (2) a resume, and (3) a brief description of their faith journey. Video samples of worship leading are welcome, but not required for consideration. All job offers will be contingent upon applicant successfully passing a background check.
